

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

IN RE: CATHODE RAY TUBE (CRT)  
ANTITRUST LITIGATION

MDL No. 1917

Case No. 3:14-cv-02058-JST

Master Case No. C-07-5944 JST

This Order Relates To:

CRAGO d/b/a DASH COMPUTERS, INC.,  
et al., on its own behalf and on behalf of  
similarly situated parties,

Plaintiff,

v.

mitsubishi electric  
corporation, et al.,

Defendants.

**ORDER EXTENDING DEADLINE FOR  
SEALING MOTION DECLARATIONS**

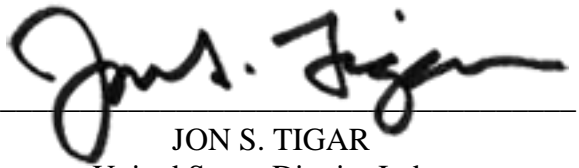

The Mitsubishi Defendants filed an “Administrative Motion to File Under Seal Pursuant to Civil Local Rules 7-11 and 79-5.” ECF No. 4627 (“Sealing Motion”). In it, they mistakenly identified the Direct Purchaser Plaintiffs as the Designating Party under Civil Local Rule 79-5(e). However, the correct Designating Parties are the SDI Defendants, the Hitachi Defendants, Defendant Chunghwa Picture Tubes, Ltd., the Panasonic Defendants, the Philips Defendants, and the Toshiba Defendants. See ECF No. 4650 at 3. These latter parties were not provided copies of the materials proposed to be sealed or placed on notice that they needed to file declarations. It is their interests that might be harmed if the Court denies the Sealing Motion for lack of support.

To avoid this unfairness, the Mitsubishi Defendants now request that the proper Designating Parties be given an opportunity to file declarations. The Court agrees. The

Mitsubishi Defendants are ordered to provide all materials otherwise required by Civil Local Rule 79-5(e) to the correct Designating Parties no later than May 13, 2016, and file a proof of service on the Court's docket. The deadline for responses from the proper Designating Parties is extended to May 19, 2016.

IT IS SO ORDERED.

Dated: May 12, 2016
